

# Sunday, May 1 – MAYDAY

On International Workers Day, We say:

## **DETROIT AND FLINT LIVES MATTER!**

Water is a human right. Fix Flint's pipes. Refund the bills for poison water. Fully fund the costs of lead poisoning treatment. Stop shutoffs in Detroit and everywhere. Housing is a right. Stop foreclosures and evictions. Cancel the tax foreclosures. Education is a right. Solidarity with DPS teachers. No charter schools. Fire Judge Rhodes. Restore authority to the current elected school board in exile. Use Helping Hardest Hit funds to keep families in their homes, not tear homes down. No more Emergency Managers!

### **NO TO RACISM! Stop the raids and deportations!**

No to immigrant-bashing, Islamophobia, sexism, anti-LGBTQ bigotry and oppression everywhere. Shut down fascist Trump campaign. Stop police violence. Justice for Terrance Kellum, Tamir Rice, Michael Brown, Aiyana Jones, Sandra Bland, and over 1000 more killed by racist police.

### **Make the banks, the government, and the auto bosses pay for the crisis they created!**

Cancel Flint's and Detroit's debt. Restore city retiree pensions and health care benefits that were stolen. Make GM give \$4 billion to Flint. State and federal aid to Flint and all hard-hit Michigan cities. Release budget surplus and rainy day funds. Money for people, not for war.

### **Justice for workers here and around the world.**

**Stop union-busting attacks. \$15-an-hour minimum wage with a union.**

**System change, not climate change.**

**Capitalism is the problem! People before profits!**

**Gather 2:00 PM**

**Grand Circus Park, Woodward and Adams, Pingree monument**

**March through downtown Detroit and rally afterwards**
