

# HELL NO, DETROITERS WON'T GO.

**Demand a moratorium (halt) on all tax foreclosures and evictions from occupied homes. End water shut-offs. Save homes with OUR tax \$...don't destroy them!!**

**EMERGENCY PEOPLE'S ASSEMBLY  
Saturday, March 14, 2015 – 1:00 - 4:00 pm**

## CHRIST CHURCH

**960 E. Jefferson Avenue, Detroit (at I-75, just east of downtown)**

*We will be planning direct action to save our communities!*

- **62,000 homes** are scheduled for **tax foreclosure** on March 31, 2015. **37,000 are occupied homes.**
- This is a State of Emergency! Under Michigan law, **the Mayor, County Executive and Treasurer, and especially the Governor, have the authority to stop all foreclosures and water shut-offs** to stop this disaster from taking place.
- In the meantime, **Lansing is sitting on \$220 Million** of Hardest Hit Homeowners funds, enough to pay all the delinquent property tax bills of occupied homes, stop the foreclosures, and provide funds to restore county and city services.
- Instead these **funds are being given to Dan Gilbert to tear down homes**, while the **banks** are completely left **off the hook** for the destruction they caused.
